

Grace Episcopal Church – 2018 Mission Trip

Adult Participant Covenant

Adult Leaders - understanding that parents have entrusted their most precious possession into our care, promise to:

- Strive to model Christian behavior.
- Live within the guidelines defined by the “Model Policies for Protecting Children and Youth from Abuse” published by Church Pension Group.
- Remain vigilant of safety issues, ensuring, for example, the use of seat belts during road travel and appropriate safety gear (eye/ear protection) at the worksite.
- Hold in confidence things said to us that do not affect the safety and well-being of an individual or the community.
